## **“ALMA MATER”**

Where mountains stand so boldly  
Where skies are always bright  
Our Alma Mater lifts her head  
And sings her strength and might  
We life our eyes unto the hills  
That shelter Tazewell High.  
They give us strength to love and serve  
The school whose fame we cry.

Oh, Tazewell High we love thee,  
Our Alma Mater dear,  
For you we stand and sing our song  
Of praise for all to hear  
We love thee Tazewell High School  
Your light forever shines  
It gives us strength to love and serve  
That dear old school of mine.

## **!!FIGHT SONG!!**

It's Tazewell High School  
It's Tazewell High School  
We're proud of every student here  
Come all you old grads  
Come join us young lads  
It's Tazewell High School now we cheer  
RAH! RAH!!  
For now's the time boys to make a big noise  
No matter what the people say  
For there is none to fear the gang's all here  
So hail to Tazewell High School hail  
We're Number One!!

## FOREWORD

Tazewell High School has many different steps . . . A complex of individuals in a small community of its own, of new direction in the midst of old traditions. We have added another year which in many respects has not altered the traditions: A great year in sports, high academic expectations, genuine friendship as a hallmark of high school life, an able faculty and a vigorous student body.

That which maintained both the tradition and rang the changes at Tazewell this year was its people. It is for them this book exists because it is they who are Tazewell High. They are the proud few who are privileged to carry into the future the strange and ineffable, wonderful and warm thing we call "The Bulldog Spirit."

This, then, is Tazewell High . . .

## ETERNAL VISION

They know me not  
who think that I am  
only flesh and blood —  
a transient dweller  
on the fragile spaceship earth  
that gave me human birth

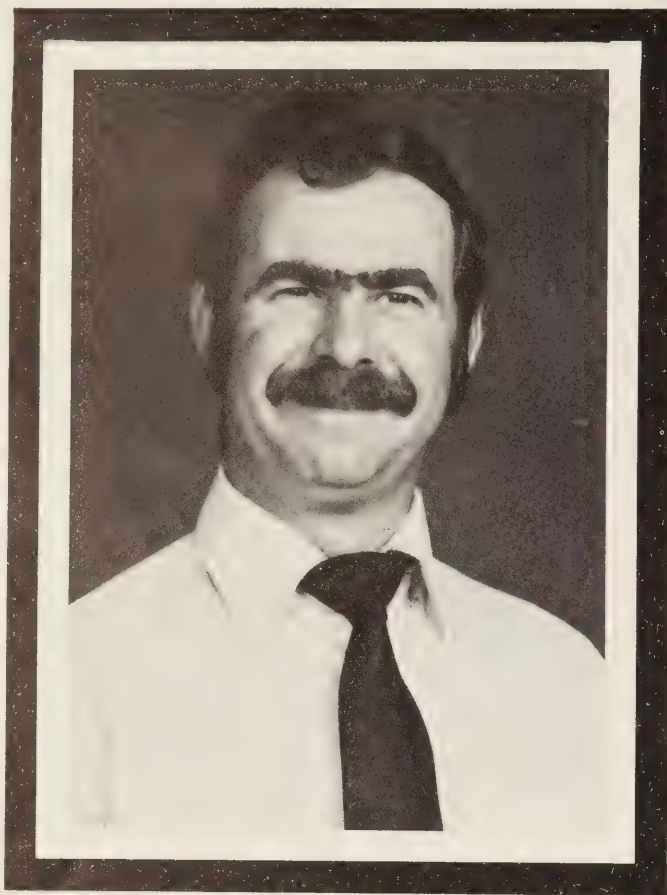

For I am Spirit  
eternal, indestructible, not confined to  
space or time  
and when my sojourn here is through  
my roles fulfilled, my assignments done  
I will lay aside this space suit called my  
body  
and move on to other mansions, roles,  
assignments  
in our Father's house of eternal life  
So dry your tears  
weep not overmuch for me — or for  
yourself

Set me free  
in the Love that holds us all  
and makes us one eternally!  
Our paths will cross again  
Our minds and hearts will touch  
Our souls will shout with joy and  
laughter  
As we recall  
the lives we've lived  
the worlds we've seen  
the ways we've trod  
to find ourselves — at last —  
in God.

# ADMINISTRATION

**Charles B. Beggs — Principal**

**Iva G. Dean — Assistant Principal**

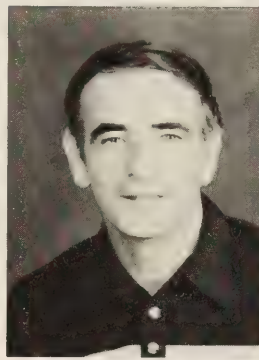

One of the first steps up the ladder are the leaders of our school. This step represents friendship. A friend is someone who likes a person, who smiles at a person and someone who teaches a person. What finer gift could come from any friend than to encourage a person to discipline his mind and body for the present as well as the future.

## "SENIORS REACH THE TOP"

We are happy to inform you that we are now at the top of the ladder and have taken all the steps necessary to be Seniors at Tazewell High School. Although we are very small in quantity we are large in quality.

As we look back on our high school education, we realize that these have been four years richly lived — work, worries, and parties. As years go by we shall only remember the happy times and forget the rest. And all claim to have been in the upper third of our class. It's marvelous what time will do!

Now as Seniors, firm resolutions are being made for future years, and as we go our various ways let us not forget the real friendships that existed throughout this long yet brief stay at Tazewell High. The decisions and duty are ours to resolve to keep up the high standards which have been impressed upon us by the faculty. To these men and women of high ideals we say thank you for your guidance and patience.

Although we know that our life at T.H.S. is about to end — We are not afraid of tomorrow; for we have seen yesterday, and we love today.

# JUNIORS WORK TO PREPARE FOR PROM

*Stepping up and proud to be the Junior Class of 1983, we accepted our new upper class rank with ambition. This year was a very busy one for all of us. Ordering class rings and decorating the hall for spirit week provided additional enjoyment. The highlight of this year was working diligently to raise money in order to sponsor the Junior-Senior Prom. We the class of 1984, worked, planned, and progressed toward greater goals and reflected our past years with enjoyment.*

## COAL MINES

Coal dark domain of the grim reaper  
From you we extract our living  
Your ebony diamonds provide riches  
But you take your repayment in sorrow and toil

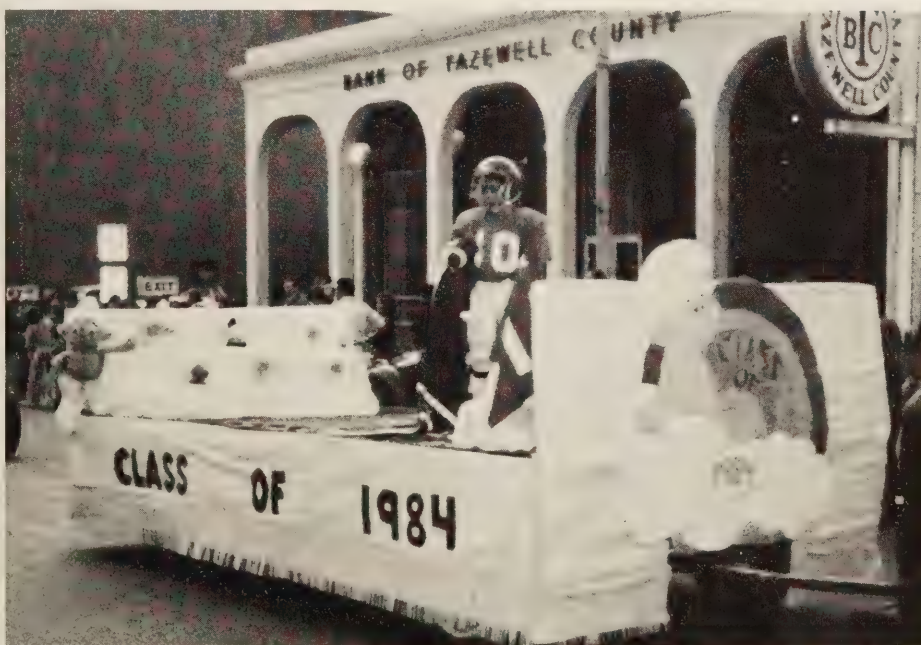

With a rumbling quaking sigh,  
You bury our fathers  
Under heaps of your treasure,  
They lie

The vileness of your breath  
Pollutes the air and fills their lungs  
With your cruel revenge

Your cold wet insides stiffen our fathers' limbs  
Into grotesque shapes  
As they kneel to beg you to release your treasure  
They age overnight

Yes you provide a livelihood  
But the debt is too heavy  
You take more than you ever give

*"For Sale — One Wrecked Family Car." For the Class of '85, this year was a busy and eventful one. Many of us earned the privilege and responsibility of a driver's license, while others had to be satisfied with driver's training. We have worked hard together as a class and have advanced to the current sophomore class. We are all extremely pleased with our successes at T.H.S. and have discovered there is a real art to accepting the challenge of high school life.*

# FRESHMEN EXPERIENCE NEW LIFE AT T.H.S.

*Freshmen step into many new experiences at Tazewell High. "Hey, what happens if we're late for class? Do you think the teachers will care?" Our first year at T.H.S. brought many strange, but interesting adjustments. One of the biggest was learning to get to our next class in the allotted time.*

*Many of us have begun to find new romances and have taken a noticeable interest in dances and other school activities. This was the beginning of our long adventure through high school and we realized that we were the future leaders of our school. This year at T.H.S. was a very impressionable one, and we look forward to the next three years in high school.*

# A Freshman Is . . .

What exactly is a freshman? **freshman (freshman)**n. 1. A student in the first year of high school or college. 2. Any beginner. According to **Roget's College Thesaurus** (a book with synonyms and antonyms of numerous words): freshman, n. plebe, underclassman, novice, greenhorn, tenderfoot.

But students have a different view. Freshmen stated: "A freshman is just starting out in life wanting a piece of the action."

"A person who's 14 or 15 and a ninth-grader, who gets picked on by the upperclassmen."

"A freshman is like everyone else."

Sophomore students, as well as upperclassmen, had a different view. A lot of them thought of a freshman as being squirrely, immature, and naive. Upperclassmen's definitions of a freshman were:

"Unfortunately, what I was last year."

"One step lower than a sophomore, two steps lower than a junior and far from a senior."

"A new-born on the campus."

"A student just trying to be a student."

"Are people, too."

"A person in ninth grade in high school that gets picked on for being the youngest."

"A snowflake in a blizzard."

"But a lost soul entering into a new world of pep rallies, football games, and plenty of **homework**."

I need a comb!!

## T.H.S. GIRL'S TENNIS TEAM

The Girl's Tennis Team had the most outstanding year ever in 1982. They hold the best record of any girls team, in any sport, in the history of the school.

The team was undefeated in the Southwest District with a 12-0 record. They also had the number one doubles team and the number one singles player in the district. Andes/Keene were 12-1 being defeated at the regional play off. Angie Andes was the number one singles player in both the S.W.D. and Region IV and was runner-up in the State AA Singles.

The Tazewell Interact Club has become one of the strongest and most active clubs in Tazewell High. In October, they sponsored the first Halloween Carnival at Tazewell High in many years. This event attracted more than 1,000 people and helped provide a safe Halloween for all the children of the Tazewell Area. In November, they helped with the "Smoke Our Day" for the Heart Fund. In December, they started selling Christmas trees for a money making project. They also sponsored the first Christmas Candlelight House and Church Tour in Tazewell. Both of the projects were huge successes. A punk rock dance was held in mid-December. Each participant brought one can of food in order to enter the dance. All food was donated to the Tazewell County Social Services Department for distribution to the needy. The members raised money all year to help support themselves to Walt Disney World's EPCOT that they visited over their Easter Vacation.

The concept of Future Homemakers of America is based on the belief that the home and family are the basis of a democratic society. What the world is and will become is greatly determined by the home and family of each individual. "Everyone is a Homemaker." Their challenge is to help everyone develop skills in homemaking and in a chosen career.

The Future Homemakers have been very busy this year. In October they sponsored a booth for the Halloween Carnival and in February they observed F.H.A. Week. They worked hard on their service project for Heritage Hall. They are Federated with Richlands and Graham High Schools along with the Middle Schools.

OUR MISTER GUS  
 Listen my children, and I'll discuss  
 The illustrious years of our Mr. Gus  
 On a September day in fifty-Two  
 He arrived, and has taught quite a few  
 So many have learned to call him friend  
 His concern and his kindness go on without end  
 He has said to his comrades, "I promise to fight  
 To teach my dear students with all of my might"  
 He built them into farmers and workers, and then  
 He finished his task by making them men  
 Lessons on fences and corn rows and cows,  
 How to drive tractors and how to use plows  
 When to stand firm, and when they should bend  
 Lessons all learned from their teacher and friend

Mr. Gus built a home for his family and Raye  
 Fashioned with love in his own special way  
 Blessed children they have, like Carol and John  
 Sharon, Joey, and Gary to carry on.

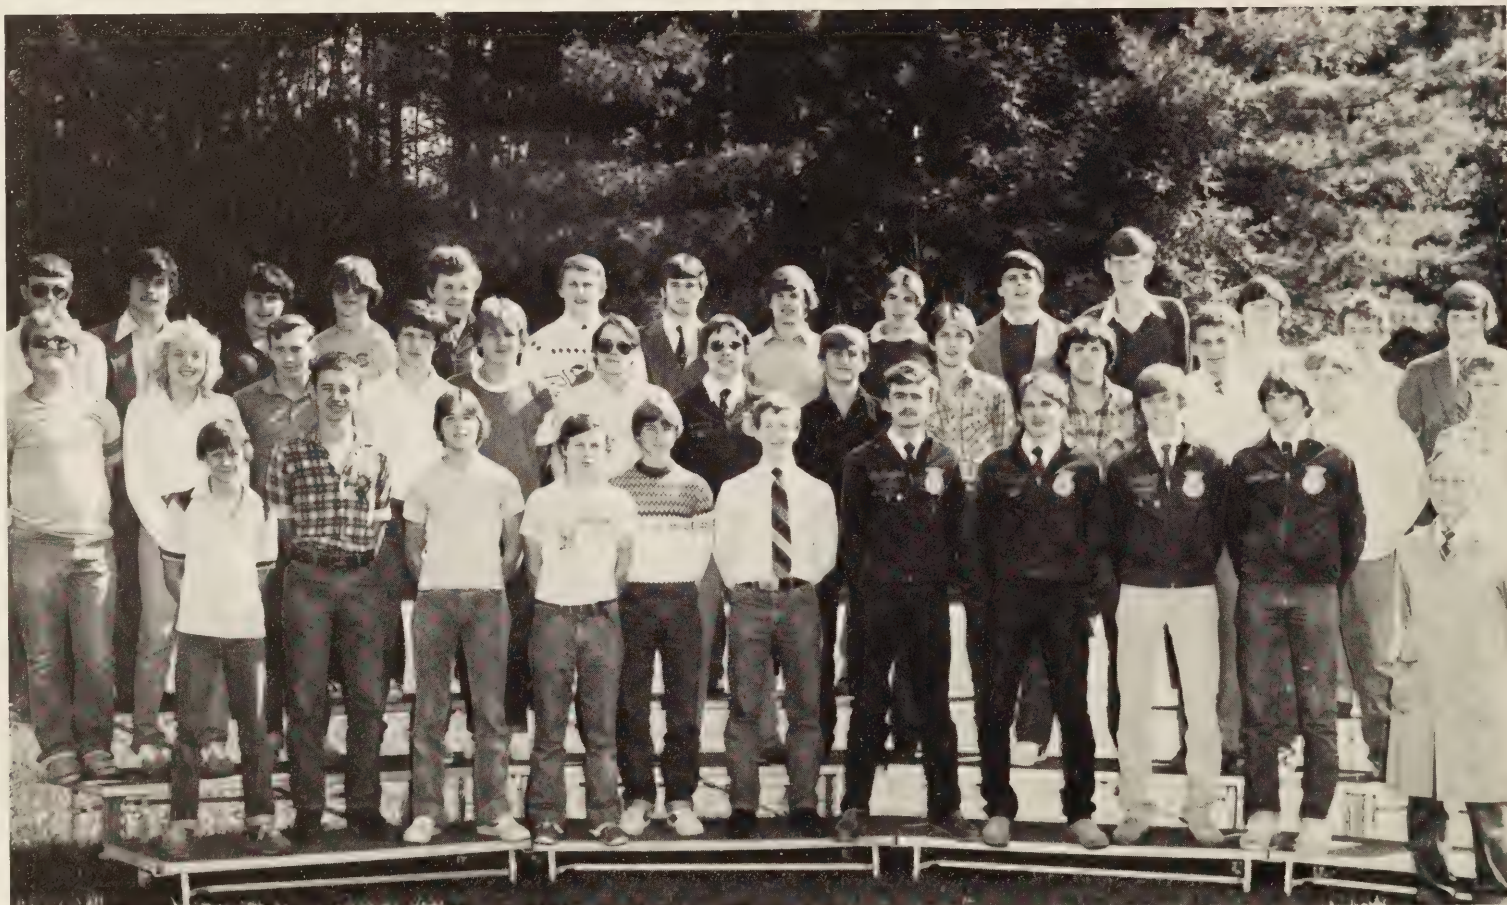

His legacy at Tazewell will not pass away  
 It will live through the years in our F.F.A.  
 Through tables and chairs he has helped to repair  
 And the beautiful Circle we all love and share  
 He has worked for athletics, and our drama class  
 He's painted our walls and helped mow our grass  
 Which one of us has done more for our school  
 Than our Mr. Gus, who has lived by this rule,  
 "I will do what I can, and I'll try my best  
 While there's work to be done, I shall not rest."

So, Gus, as you leave us, we bid you adieu  
 And hope you liked us as we all love you.

To the Senior Class and to all the students at Tazewell High School, we are happy to present the 1983 Peak. By forsaking self and endeavoring to serve others, you are educating yourselves for tomorrow. The demands and frustrations of your various classes, sports, and organizations are many, but the rewards are great.

To this year's graduates we say "congratulations," and offer our best wishes as you leave T.H.S. We hope that this year's Peak will recall for each of you the happy memories of your life while at Tazewell High School.

# A Classic . . .

Amid roving minstrels and the cries "Wassail, Wassail"; the public was invited to highlight the Christmas season this year by attending the First Annual Olde English Feaste on Friday, December 17, 1982 in the Tazewell Middle School Cafeteria.

Preparations were made to recreate the pomp and charm of Renaissance England with the banquet and costuming.

Singing troubadours, beggars, recorder players and a juggler traditionally mingle with the guests while offering their Yuletide greeting in words and music. Two jovial court jesters and a group of dancers were other entertaining highlights presented.

Announced by brass fanfare, the menu included Tendre Byffe, Letuse Sallade, Streng Bene eek Almande, and Yorkshrye Pudding.

Being such a success the Green-T Singers hope to make this an annual affair.

# HOMECOMING

Tazewell "Bulldogs" Pride and Spirit rated high among students during Homecoming activities. The theme for this year's Homecoming was "Bulldog Smurf it up." All classes busily worked on streamers and posters for their assigned hall. The week ended in a fine way with a big win over Patrick Henry. The annual Homecoming Dance gave the fans a "chance to catch their breath" as couples enjoyed the dancing and music. Homecoming 1982 reflects smiles, victory, and success.

Six Tazewell High School Students were honored by representing our school at Virginia Boys'-Girls' State in June of 1982. The girls attended Longwood College, while the boys attended Lynchburg College. They studied Virginia state government by setting up a model city and state; they participated both as elected and appointed officials. It was one of the greatest experiences they have had during their high school education. We were proud they represented Tazewell High School at Girls' and Boys' State.

Personalities are like colors of the spectrum. The uniqueness of a personality is complemented when viewed with other personalities, just as a color is made vivid when contrasted with other colors. Interacting personalities create spirit in a high school as blending colors create life in a painting.

Tazewell High School is rich with diverse personalities: enthusiastic extroverts, shy introverts, serious "intellectuals," creative artists and musicians, aggressive athletes, class clowns, and well-rounded achievers. The intermixing of these personalities produces our school's identity.
